

6th November 2018

Dear Parent/Guardian

Year 5 Geography Field Trip

As part of their Topic 'Around the World', Year 5 will be undertaking a Geography field trip to find out more about their local area, so they can then make comparisons to other parts of the world.

On Tuesday 13th November (weather permitting) they will be walking to Five Ways roundabout to tally the types of vehicle they encounter, as well as asking people some questions about the ways they typically travel. If it rains on Tuesday, we will be undertaking the field trip on Wednesday.

There is no cost for this trip, as pupils will be walking, but can you please ensure they are in their full school uniform with a blue or black coat as they will be outdoors. When they return, they will be using their results to do some data analysis and draw some conclusions about the local area.

Pupils will be leaving around 9.30am and will be back for lunch.

Please can you please complete the proforma below and return to Lower School Reception by Friday 9th November 2018.

Thank you for your continued support.

Kind regards

Mr Hewer
Year 5 Teacher
