SAFER RECRUITMENT AND
SELECTION POLICY

Revised: January 2017

This policy applies to Upper and Lower School and EYFS

Scope of the policy

The Safer Recruitment and Selection Policy applies to any individual working in any capacity at or visiting, the school. This includes:

- Teaching and Non -Teaching staff,
- Supply Teachers,
- Contractors and other staff supplied by third parties
- Governors and other volunteers

The school recognises its commitments under:

- The Independent School Standard regulations
- Working Together to Safeguard Children (March 2015)
- Keeping Children Safe in Education (September 2016)

and will comply with these regulations and statutory guidance.

The importance of Safer Recruitment and Selection

Recruiting people who are wrong for the School can lead to increased staff turnover, increased costs and lowering of morale in the existing workforce. Such people are likely to be discontented, unlikely to give of their best, and end up leaving voluntarily or involuntarily when their unsuitability becomes evident. They will not offer the flexibility and commitment that the School requires and seeks.

Adherence to this policy will ensure that the School recruits and selects the best applicants for employment who are engaged and are committed to the education of the children and are sympathetic and believe in the values and ethos of the School. It will also deter, identify and allow the school to reject applicants who might abuse children or are otherwise unsuitable to work with children and young people.

The School's Legal Responsibility and the Importance of Fairness

The School and its representatives, have a legal responsibility to ensure that no unlawful discrimination occurs in the recruitment and selection process on the grounds of sex, race, disability, age, sexual orientation, pregnancy, maternity, marriage and civil partnership, gender reassignment and religion or belief.

The Safer Recruitment Policy is aimed at ensuring that the experience for all candidates is fair, non-discriminatory and that the chosen candidate is recruited on merit, ability and suitability for the post.

Selection decisions made in accordance with equality principles and the School will comply at all stages of the recruitment experience with its responsibilities under The Sex Discrimination Act 1975, the Race Relations Act 1976, the Employment Equality Regulations (covering sexual orientation, religion or belief, and age) and the Equality Act (2010) including the School's responsibility for making reasonable adjustment for a successful candidate with a disability to take up their appointment.

This policy will be reviewed as and when required and updated to adhere to appropriate legislative changes and/or statutory requirements regarding recruiting and safer recruitment.

Equal Opportunities

Equality of opportunity is an integral part of the recruitment and selection process, and to this end the School may offer training and encouragement to any under-represented groups.

Principles

The School recognises that its staff are its single most important resource. Therefore recruitment and selection of all levels of staff are activities of major importance. Recruitment is not an isolated task but rather the beginning of the employment relationship.

All Staff involved in any level of recruitment or any stage of the process should ensure that:

- They act in accordance with The School's Safer Recruitment Policy
- All appointments are made on merit, against objective criteria which are applied consistently across all candidates
- Confidentiality is maintained at all times regarding candidates' details
- The School attracts and retains a high calibre of staff
- The highest quality of teaching and support is provided to all children and young people
- A favourable and positive image of the School is promoted through its Safer Recruitment and Selection activities

The School is committed to safeguarding and promoting the welfare of children and young people. We expect all staff to share this commitment and to undergo appropriate checks including enhanced DBS checks. This commitment is embedded in all our procedures and pre-employment checks.

Training will be provided for key staff with responsibility under this policy, along with the provision and support of legal advice.

In addition at least one person who is responsible for interviewing applicants must have passed the Safer Recruitment training. This means a recruitment panel must have at least one member who has completed the training. In addition, the person responsible for the school's recruitment processes must have completed this training.

The Recruitment Process

Adverts and all recruitment materials will make clear the school's commitment to Safer Recruiting.

The School will consider both internal and external candidates for advertised roles and applicants will be treated fairly and equally through the recruitment stages in accordance with the principles of this policy.

Applicants for employment will be expected to complete in full the school's application form, detailing their experience and referees who will be contacted, with the applicant's permission, prior to the interview.

Shortlisted candidates will undergo a selection process to determine their suitability for employment, against objective criteria.

The selection process will reflect the requirements of the post but will as a minimum involve an interview with an appropriate and trained member of staff.

All notes written by interviewers will be kept with all paperwork for each recruitment exercise and feedback where agreed will be provided to unsuccessful candidates.

Reasonable adjustments to the selection process under the Equality Act (2010) will be made for individuals with disabilities.

Staff involved in interviewing are required to ask candidates to:

- account for all gaps in employment history
- account for discrepancies from references or accompanying CVs / application forms

- demonstrate their understanding and ability to safeguard the welfare of children and young people

In addition candidates must be given the opportunity to declare any information which is likely to be revealed on a DBS disclosure or through other recruitment checks

Appointment

The appointment of the successful candidate will be provisional and subject to completion of pre-employment checks. The level of checks required will depend on the role and duties of an applicant to work in the school.

For most appointments the applicant will be engaged in a 'regulated activity' – that is if as a result of their work they:

- Will be responsible, on a regular basis, in any setting for the care or supervision of children; or
- Will work regularly in a school or college at times when children are on school or college premises (where the persons work requires interaction with children whether or not the work is paid (unless they are a supervised volunteer), or whether the person is directly employed by a contractor);

Regulated activity includes:

- a) teaching, training, instructing, caring for (see (c) below) or supervising children if the person is unsupervised, or providing advice or guidance on well-being, or driving a vehicle only for children,
 - b) work for a limited range of establishments (known as 'specified places', which include schools and colleges), with the opportunity for contact with children, but not including work done by supervised volunteers;
- Work under (a) or (b) is regulated activity only if done regularly. Some activities are always regulated activities, regardless of their frequency or whether they are supervised or not. This includes:
- c) relevant personal care, or health care provided under the supervision of a health care professional:
 - personal care includes helping a child, for reasons of age, illness or disability, with eating or drinking, or in connection with toileting, washing, bathing and dressing;
 - health care means care for children provided by, or under the direction or supervision of, a regulated health care professional.

The school will carry out checks identified in the Safer Recruitment Checklist.

Any concerns raised during the employment checks will be investigated and a written note kept on the employment file of the further investigation conducted and its conclusion.

Normally the successful candidate will not commence employment until all pre-employment checks have been completed and are satisfactory. In exceptional circumstances, employment may commence for a short period 'under supervision' based on business need and the completion of risk assessment conducted by the Headmaster and Senior Admin person responsible for recruitment. The following conditions must be met for this to be permitted:

- The appointment is not confirmed
- The DBS application has been made
- A barred list check has been undertaken, together with a prohibition check if applicable
- Appropriate safeguarding and supervision arrangements have been documented.
- The safeguarding and supervision arrangements are reviewed at least every two weeks

References

The school will always ask for written information about previous employment history and check that information is not contradictory or incomplete. If a candidate for a teaching post is not currently employed as a teacher, the school will check with the school, college or local authority at which they were most recently employed, to confirm details of their employment and their reasons for leaving.

References provide objective and factual information to support appointment decisions. They will always be obtained, scrutinised and any concerns resolved satisfactorily, before the appointment is confirmed.

References will be sought on all short-listed candidates before interview, will always be requested directly from the referee and must be supplied on the school's standard reference form which requires answers to specific questions. Open references, for example in the form of 'to whom it may concern' testimonials are not acceptable.

References will be checked to ensure that all specific questions have been answered satisfactorily. The referee will be contacted to provide further clarification as appropriate. They will also be compared for consistency with the information

provided by the candidate on their application form and any discrepancies will be taken up with the candidate.

Any information about past disciplinary action or allegations will be considered carefully when assessing the applicant's suitability for the post including information obtained from the Employer Access Online checks.

Confirmation of Appointment

When all pre-employment checks have been completed satisfactorily, the offer of employment will be confirmed in writing.

Copies of identity documents, right to work in the UK and qualifications will be retained on the employee's file.

Candidates who are not able to satisfy the pre-employment checks will have their conditional offer of employment to the School withdrawn.

Any candidate who applies for a role in the school despite being on the Barred or Prohibited lists must be reported to the appropriate authorities at once.

Agency and third-party staff, visiting professionals

The school will obtain written notification from any agency or third party organisation that supplies staff to the school that the organisation has carried out **all** the checks on an individual who will be working at the school that the school would otherwise perform. This must include, as necessary, a barred list check and, if applicable a check on prohibition orders, prior to appointing that individual. Where a DBS check has resulted in a disclosure the agency must provide a copy of this to the school.

Supply agencies are required to provide the school with the date that it or another agency received an enhanced disclosure for a member of staff it supplies and the date of that disclosure. If applicable the supply agency must also provide written notification of the contents of a disclosure. Supply agencies must undertake a fresh disclosure every three years or earlier if there are concerns or a break in service of three months or more.

Details of third party or supply agency notification are to be kept on the SCR.

Contractors' Staff

Contractors working at the school on a long-term basis will be subject to the same checks as school staff with written confirmation supplied by the employing organisation. The school will carry out an identity check of such staff on arrival.

Where employees of contractors will have access to areas of the school where regular unsupervised contact with children is possible the school will require written confirmation that DBS checks have been undertaken by the contractor and will also carry out identity checks on arrival.

Where a contractor working regularly at the school is self-employed the school will obtain the appropriate level of DBS check.

Volunteers

The arrangements for volunteers will vary according to the individual and activity

Volunteers in a regulated activity must undergo the same checks as staff employed at the school. This will include all volunteers who accompany residential school trips.

Regular volunteers not engaged in a regulated activity, including those who are supervised at all times, may require an enhanced DBS check.

'One-off' volunteers for day outings concerts etc. do not require vetting checks but must be supervised at all times by a suitably checked member of staff and may not undertake any kind of personal care of pupils.

Trustees

Trustees are volunteers and will be treated on the same basis as outlined above for other volunteers. The Chair of the Board of Trustees will ensure that all Trustees are subject to an enhanced DBS check as part of the appointment process. If a Trustee will be engaged in a regulated activity a barred check will also be requested.

The Chair of Trustees

The Chairman of Trustees will be subject to the following checks by the Secretary of State for Education:

- Enhanced DBS check
- Confirmation of identity
- Check on the right to work in the UK

- Overseas and other checks as appropriate

Staff not in a regulated activity

Some staff may come onto the school staff on an infrequent basis to work under supervision – for example a visiting specialist running a workshop. . Identity checks will be carried out when such staff arrive at the school.

Single Central Register

The school will maintain a Single Central Register which records whether or not the following checks have been carried out and the dates on which these were completed:

Recruitment checks include:

- Enhanced DBS & DBS Barred list
- NCTL Prohibition Register(s)
- Employment history
- Written requests for employment references
- Identification
- Right to work in the UK
- Address
- Qualifications
- Worked or lived abroad – the school will make any further checks considered appropriate
- Verification of the candidates mental and physical fitness to carry out their work responsibilities

The Single Central Register will include the following people:

- All staff including supply staff who work in the school; this means those providing education to children
- All others who work in regular contact with children in the school, including volunteers
- All members of the Board of Trustees
