

Year 7-10 Wednesday Afternoon Enrichment Activities: Summer 2024

Key Information

- Students select three activities in the order of preference that they would like to participate in for the entire term. This will be completed in form.
 - Students may not receive their first choice, so it is essential for them to carefully consider their second and third choices.
 - If an activity does not receive enough interest, it will not take place.
 - Parents or guardians should be consulted before selecting paid off-site activities.
 - Please be aware that refunds for paid activities are not possible.
 - Once you have been allocated enrichment choices, there should be no changes.
-
- In situations where activities have limited spaces and high demand, the following 3 factors are considered:
 - Positive engagement in that activity / extra-curricular in general / Wednesday P5 & P6 activities this academic year.
 - Whether you received a 1st/2nd/3rd choice in Autumn 2023 or Spring 2024.
 - Switched enrichment activities after allocation in Autumn 2023 or Spring 2024. This counts as an additional 1st choice activity.
