Thursday	Science	<u>Option Block D</u>	
		Computing Drama IT	DT RE
Friday	Science	<u>Option Block A</u>	
		Economics Business	Photography History

Homework tasks should take you between 30-60 minutes per subject. Some subjects may give you longer to complete tasks than others and therefore, you should plan and prioritise tasks using Epraise in the first instance. Try to spread your workload out across the week. You will receive weekly homework in all of your Options subjects as well as the Core subjects. Science appears three times because you will receive homework in Biology, Chemistry and Physics across the week.
